Lauryn Haake Joins June Consulting Group

Appointment Will Bring Additional Emphasis to Client Relations

(January 19, 2010 -- Houston, TX) June Consulting Group, the leading woman-owned company specializing in corporate legal technology, announced today that it has appointed Lauryn Haake as Managing Consultant. Haake will closely interact with June's clients to provide efficient and successful solutions that meet business requirements.

Louann Barnett, President of June Consulting Group, says, "June's clients will greatly benefit from Lauryn's expertise in electronic billing, training and business process automation. She offers strong skill sets in project management and client relations, both key elements in how June delivers complete solutions – with reliable continuity and cost savings throughout the project."

"Lauryn is uniquely qualified to understand clients' perspectives and the challenges they face due to her broad career experience," adds Barnett. "She has held positions within a law firm, a Fortune 500 corporate legal department, and two legal software providers."

Haake has designed solutions and managed projects for large companies in a wide variety of industries. At Bridgeway Software, she was responsible for sales support, training, partnerships and services solutions. She has also held positions at Mitrastech as a senior project manager and at YRC Worldwide as Finance and Technology Manager supporting the general counsel. Haake holds a Bachelor's degree in Finance and a Master's Degree in Management Information Systems.
